NetImpact Strategies, Inc. (NetImpact) was awarded a five-year Indefinite Delivery/Indefinite Quantity (IDIQ) contract by the Program Support Center (PSC) at the U.S. Department of Health and Human Services. NetImpact’s core capabilities in Strategy, Business Management, and Business Transformation are well aligned to support the Policy Analysis, Program Assessments, Data Analyses, and Evaluation Study scope of this IDIQ. This IDIQ is an additional vehicle for NetImpact’s federal customers to access our services.

**ABOUT THE PSC IDIQ**

The PSC is a fee-for-service, shared services agency providing procurement support for all federal agencies, including the Department of Defense.

From research and planning, administering and soliciting, to awarding and closing, PSC provides critical support throughout the acquisition lifecycle so agencies can focus on their core missions.

The PSC IDIQ is a five year vehicle (with a five year option) to support a diverse range of requirements through quick turnaround task order contracts.
